

Breakfast Texas Scramble

Team of Four Players

- Minimum Four Drives Each – Two extra drives to one or more team member.
- $1/10^{\text{th}}$ of combined playing handicap allowance.

Team of Three Players

- Minimum Five Drives Each – Three extra drives to one or more team member.
- $1/10^{\text{th}}$ of combined playing handicap X 4 divided by 3

Yellow Tees - Men

Red Tees - Ladies

Non Qualifier

Players play in groups of three or four. Each player must have a minimum of four drives (fourball) each; or minimum of five drives (group of three) each, used.

Each player drives and the best shot is selected and marked. Everyone then hits the next shot from this point, with the ball placed within six inches of the marker. Repeat procedure with each shot until you hole out. The player whose shot is selected plays the next shot first followed by all the other team members until the ball is holed out.

If there is a tie for any position, places will be determined by countback over the last nine holes played. If there is still a tie, it will be decided on the last 6 holes, then last 3, then last 1 hole.

Start times 07.30 - 09.30 or post 09.30
